

MEGABIND 1

Manual Punch and Comb Binder

The MegaBind 1 makes comb binding fast and easy. This efficient 14" machine produces a professionally finished product. Its reliable and practical design make it the perfect fit for any office.

FEATURES:

Die Disengagement Pins

- Pins can be easily adjusted to punch any length binding edge

Side Margin Control

- Provides an evenly centered punch for all document sizes.

Waste Compartment

- Chip drawer located on backside of machine.

Punch Margin Control

- Control the depth setting for each comb size. The depth setting can increase as the comb diameter increases, maximizing the document's tear resistance.

Binding Guide

- Allows the user to determine the correct comb size to use

Manufacturer's Warranty

- 1 Year
-
